News Release

13th November 2003

The Rank Group Plc

New Bank Facilities

The Rank Group Plc ("Rank" or the "Group") is pleased to announce that Rank Group Finance Plc has today agreed terms for a new three year, senior unsecured £400 million multi-currency revolving credit facility. The new facility, which was oversubscribed and was led by Banc of America Securities, HSBC, JP Morgan and The Royal Bank of Scotland, will be guaranteed by Rank and replaces a similar £250 million facility.

Commenting on the new facility, Ian Dyson, Group Finance Director said:

"Following the successful private placement of $538m senior notes in May of this year, the strong appetite for Rank Group credit continues, indicating ongoing support for the Group's strategy, recognition of its financial strength and the ability of each of its core businesses to generate cash."
