The Rank Group Plc

Statement on Industrial Action

We are very disappointed that the TGWU has called for a second day of action, particularly given the poor support they received for the first strike when only 73 employees, compared to the 300 anticipated by the union, chose to take industrial action. We would like to reassure our customers that it will be business as usual and that they will receive the usual high standards of service they have come to expect when they visit a Grosvenor Casino.
