RANK GROUP RENEWS CHARITY PARTNERSHIP FOR SECOND YEAR
~ After raising more than £270,000 for Marie Curie Cancer Care ~

The Rank Group Plc has exceeded fundraising expectations for its partnership with Marie Curie by reaching its target of £200,000 two months early and with the festive period still to come.

The Rank Group, which owns Mecca Bingo, G and Grosvenor Casinos, and Rank Interactive, has committed to continuing the partnership for 2011.

The 10,000 Rank Group team members have raised the money in a number of different ways; from holding in club events for customers such as Blooming Great Tea Parties, book sales and fashion shows; to taking on personal challenges such as cycle rides, sky dives and even playing a game of High Stakes Poker at the top of Mount Snowdon. All funds raised by the Bingo clubs and Casinos across the UK will be used to fund vital nursing care within those specific towns wherever possible.

Fabian French, Director of Fundraising for Marie Curie Cancer Care said: *"Rank Group team members and customers have done a sterling job over the last 10 months, already reaching their fundraising target for the year. They should be proud to know that the funds raised to date will help the charity provide 12,500 hours of Marie Curie nursing care. We are thrilled to have their continued support in 2011 and look forward to working together to give more terminally ill people the choice of spending their final days at home."*

Ian Burke, Chief Executive of Rank Group, said: *"We never cease to be amazed by the team spirit and generosity of both our team members and customers. I'm very proud of how our teams, both across the sites and in the support offices, have embraced this partnership and we look forward to continuing to raise funds for such a worthy cause in 2011."*
